LOCAL FOOTBALL**

**SUPPORT
CAVAN RENAL UNIT**

**SUPPORT
ANIMAL WELFARE**

PATRON SCHEME

About the scheme

Since 2018, the Foundation has invested over €15k with your generous support. To date this has been funded mainly by the proceeds of a Gala Dinner in 2018 and a Golf Classic in 2019. Whilst we are grateful for all the support we received from local sponsors and participants at both events, to continue to invest in football and the aims of the Foundation, we need to create a baseline of support to secure a sustainable investment in the game over the coming years. Fund-raising opportunities in 2021 will be difficult. Our plans to host a Golf Classic in 2020 were thwarted by Covid 19 and it is uncertain if we can arrange a fund raising event in 2021, due to public health concerns. Therefore, to provide a sustainable income to sustain our support for the aims of the foundation we are proposing a model that I hope you can see fit to support in the coming months.

How to get involved?

The Sean McCaffrey Foundation is seeking to enlist 100 Patrons who will commit €100 per year towards the Foundation and its goals. The funding will provide a solid financial base to the Foundation and support its investment in the development of young people and football throughout the region. Get involved by filling out the attached form and choose the preferred method of payment.
